**TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:**

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. ## DETAILED ACTION

### *Response to Amendment*

The reply filed on 8/16/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Newly added independent claims 32-35 and 40 have not been discussed and no indication of a claimed feature which distinguishes over the previously cited prior art has been presented. See 37 CFR 1.111.

Furthermore, the examiner notes that the remarks to the double patenting rejections fail to show which claim features would have been non-obvious and why and the examiner suggests that these comments may help in understanding the traversal of the rejections.

Additionally, the examiner notes that the claim listing faxed 8/16/2006 is very difficult to read. This is due to the fact that the subscripts and superscripts are so small that the fax machine has rendered them illegible. The examiner suggests that in the reply to this communication, further claim listings should not be faxed and/or the font size should be increased as to allow all of the text to be legible.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew T. Henning whose telephone number is (571) 272-3790. The examiner can normally be reached on M-F 8-4.
